

Access Clicktale's session replays directly from Kampyle to understand the issues your customers are facing and reveal actionable, ROI based insights to resolve them.

How it works

The two-way integration of Kampyle and Clicktale is easy to configure.

Take advantage of the integration today

1. Simply provide your Kampyle administrator with your Clicktale account, Clicktale Project ID, and Clicktale security token. With this information, surveys and Clicktale recordings will be automatically paired.
2. In Kampyle, replays can be accessed with a single click from each survey submission to see the full experience.
3. Meanwhile, within Clicktale's user interface all analyses and heatmaps can be filtered to sessions that included survey responses.

The two-way integration between Clicktale and Kampyle makes it easy to uncover "the why" behind your feedback. Contact Clicktale today to have the integration configured for your account, so you can more quickly illuminate and optimize your digital customer experience.

About Clicktale:

Clicktale lights up the digital world, revealing customer behavior, needs and intent across all key touchpoints: web, mobile and apps. The world's #1 enterprise-class experience management platform, Clicktale's deep drill-downs get to the heart of the "how" and "why" behind customer behavior. Via session replays, high-fidelity heatmaps, conversion analytics, powerful integrations and in-depth expert analysis, Clicktale provides critical insights needed to remove friction, delight every customer and achieve digital success. With a global customer base that includes Walmart, UBS, The North Face, MetLife, Lenovo, Adobe and CNN, Clicktale is the most advanced, robust enterprise-grade solution on the market, analyzing over 100 billion in-screen behaviors per month.
